GREAT FOR ANIMAL HEALTH!

USE FOR: PLAY GROUNDS, GOLF COURSES,

CAMPING, YARD PARTIES, OUT DOOR

WEDDINGS, POOL PARTIES, SCHOOLS, SOCCER

FIELDS, LITTLE LEAGUE PARKS, AND ANY

WHERE PEOPLE PLAY OR WORK.

This granular product is easily applied from its sprinkler cap. The product can be used on patios, patio areas, water gardens, tennis courts, picnic and campsites. It is an ideal product to be applied before outdoor weddings, pool and patio parties, around schools and cookouts.

DIRECTIONS FOR USE: Lightly sprinkle **Mosquito Repelling Granules** over entire area to be occupied. This container will cover approximately 3,000-4,000 square feet. For maximum results, apply product 12 hours before desired area is to be occupied. It is best to apply the product early after dew has dried (a.m) or late when fewer breezes are present (p.m). Do not water area with sprinkler for 48 hours after application. **When applied as directed, this product is great for use around humans, pets, and plants.**

STORAGE AND DISPOSAL: Store in original container in a cool dry place that is well ventilated. Do not use empty container. Rinse thoroughly, securely wrap in newspaper and discard in trash.

PRECAUTIONARY STATEMENTS: IF IN EYES: Flush with plenty of water. IF ON SKIN: Wash with soap and water.

IF INHALED: Get to an area where fresh air is available. IF SWALLOWED: Call a physician.
